

If your workforce is seated for much of the day but finds 'hard' seating uncomfortable, Flow is the answer. Flow provides a unique soft polyurethane moulding, allowing for liquid proof seating to be used but with soft characteristics, similar to foam based padding in upholstered office chairs.

Ideal for 'clean room' production environments.

- High density moulded seat and back foam
- Height adjustable
- Adjustable foot ring
- Five year warranty
- Tension adjustable back rest
- Optional arm rests
- Standard black colour; other colours available in bulk orders only
